III. STATED AIMS AND PURPOSES OF THE NATIONAL STATES RIGHTS PARTY

A copy of the National States Rights Party Platform was enclosed with the July issue of "The Thunderbolt". This platform is being set forth below:

"PLATFORM of the
NATIONAL STATES' RIGHTS PARTY

"RACIAL POLICY

"1. We believe in the creation of a wholesome White Folk Community, with a deep spiritual consciousness of a common past and a determination to share a common future.

"2. We favor complete separation of all non-Whites and dissatisfied racial minorities from our White Folk Community.

"3. We demand that intermarriage between Whites and non-Whites be outlawed, in all states not already having such restrictions.

"4. We demand that total segregation be maintained in the nation's schools, and that only members of the White Folk Community be allowed to engage in the educational and cultural activities of our White society.

"5. We believe that segregation should be restored in the nation's armed forces, to rebuild morale and fighting efficiency.

"6. We believe it better that only members of our White Folk Community be allowed to take part in the affairs of government or serve in the courts.

"7. We demand a policy of non-interference in the cultural affairs of other races.

"8. We favor creation of a National Repatriation Commission, to encourage the voluntary resettlement of Negroes in their African homeland, with fullest financial and economic assistance toward that end.

"9. We approve the removal of all alien minorities, dissatisfied with our American way of life and the republic for which we stand.

"10. We favor the preservation of Indian national life in America, and the unlimited development of reservation facilities.

"11. We believe that immigration should be restricted to select White individuals.

"12. We demand the impeachment or removal from office otherwise of any public official who advocates race-mixing or mongrelization.

"ECONOMIC POLICY

"1. We believe that the workers, farmers, businessmen and professional people of our nation should work together as a team placing the greater good of our White Folk Community above any individual or group interest.

"2. We approve of labor unions, run by honest White men and free of subversive influence.

"3. We believe that the farmer should get a fair price for his product in a free market.

"4. We believe that the government should refrain from competing with private enterprise, and from interfering in the hiring policies of private business.

"5. We demand that Congress alone exercise its constitutional right to issue debt- and interest-free currency, based on the production of goods and rendition of services in America.

"6. We favor protection of the White American producer by limiting foreign trade to the direct exchange of surplus products.

"7. We believe that the purchasing power of the consumer should be raised proportionately, as science increases the power to produce.

"8. We demand that the confiscatory taxation policies of the federal government be ended immediately.

"SOCIAL POLICY

"1. We favor combined civic effort in every individual state to eliminate slum, flood and dust-bowl conditions.

"2. We favor creation of proper outlets for the White Youth of our nation, to encourage the development of mind and muscle, and provide for instruction in the highest racial ideals.

"3. We demand the complete reorganization of our educational system, so that every individual White citizen is afforded full opportunity to realize his vocational ambitions.

"4. We demand the elimination of all ideology and influences from the movies, television, radio, newspapers and all other phases of our national life, which tend to cause the degeneration and disintegration of our White Folk Community.

"5. We demand the creation of a clean and honest White government, which will provide the basis for a sound economy, with full employment and improved living conditions for White citizens of every age.

"STATES" RIGHTS POLICY

"1. We demand that the federal government cease interfering with the sovereign rights of the states, as guaranteed by the Constitution.

"2. We demand that the federal government stop issuing judicial decrees which violate state sovereignty.

"3. We demand that the federal government stop fostering thought-control, and refrain from violating the traditional social customs of the individual states.

"4. We demand the removal of all federal control over the national guard units and law enforcement agencies of the states.

"5. We demand that all states exercise their authority to stop the secret-police tactics employed against them by the federal government.

"6. We demand that the states uphold their right to investigate, prosecute, and obtain conviction of subversives within their borders.

"FOREIGN POLICY

"1. We approve the strengthening of cultural and moral ties among all White nations, in view of the world-wide survival crisis which the White Man faces.

"2. We demand that White Christian boys never again be sent to fight and die on foreign soil to appease the interests of an alien minority.

"3. We demand that all financial and moral support to the State of Israel cease, as a basis for the rebuilding of Arab-American friendship.

"4. We demand an end to the policy of foreign give-aways.

"5. We oppose any international entanglement whereby this republic would tend to lose its sovereignty and freedom.

"WHITE MEN UNITE!"

IV. ACTION TO IMPLEMENT THE PROGRAM OF THE NATIONAL STATES RIGHTS PARTY

"The Thunderbolt" is the official publication of the NSRP and the official headquarters for "The Thunderbolt" is P.O. Box 261, Jeffersonville, Indiana. [redacted] b6 b7C [redacted] of this paper. "The Thunderbolt" attacks the FBI in the July 1958 issue stating that the FBI promotes race mixing and also makes derogatory comments regarding FBI investigations.

In the August 1958 issue of "The Thunderbolt", an article by STU OWENS makes a vicious attack against Mr. J. EDGAR HOOVER and FBI Agents. This attack centers on the morals, honesty, and intelligence of agents and the way the National States Rights Party members are to handle inquiries made by agents.

The October 1958 issue of "The Thunderbolt" commends Superio b6 Court Judge, [redacted] Georgia, for stating b7C he would jail FBI Agents who intimidate persons from Georgia.

The November 1958 issue of "The Thunderbolt" proclaims the innocence of the persons arrested in connection with the Atlanta bombing of a Jewish Synagogue on October 12, 1958, and attacks the FBI for their Communist-like action.

IP 105-975

The Atlanta Division advised on November 6, 1958, that the following persons were arrested by the Atlanta, Georgia, Police Department in connection with the bombing of the Temple at 1589 Peach Tree Road, N.W., Atlanta, Georgia, on October 12, 1958:

[redacted]

b6
b7C

The Atlanta Division advised that [redacted] had furnished a statement to the Atlanta Police Department stating that the above persons had planned the bombing of this Temple at a National States Rights Party meeting in May 1958.

In another investigation concerning the bombing of the Temple at 1589 Peachtree Street, N.W., Atlanta, Georgia, on October 12, 1958, [redacted] was interviewed on October 14, 1958, and furnished information concerning the National States Rights Party, which is set out as follows:

INFORMATION CONCERNING

On October 14, 1958, [redacted] advised SAs [redacted] as follows:

He is now employed at the [redacted] on Tuesday, Thursday, Saturday and Sunday. On Saturday he works until 9:00 P.M. and works again from 9:00 A. M. to 1:00 P.M. on Sunday. He was working on this schedule on Saturday, October 4, 1958, Sunday, October 5, and also on Saturday, October 11 and Sunday, October 12, 1958. From 9:00 P.M. to about midnight on Saturday, October 11, 1958, he was with [redacted] who now operates a [redacted] in [redacted] He said he was not sure but believed that he was also with [redacted] on the preceding Saturday night until about midnight inasmuch as he is with [redacted] on almost every day he has off.

[redacted] remarked at the beginning of the interview that he had "been awake all night" as a result of telephone calls to or from "our people" in Atlanta. In the course of the interview the only person named by [redacted] with whom he had been in contact was [redacted] protested at length that members of the National States Rights Party (NSRP) could not possibly have had anything to do with any bombings because he knows that they do not advocate or condone violence. The NSRP does not advocate or condone violence and this would be inconsistent with the NSRP aim to run a candidate in the next Presidential election.

Persons having criminal records or who are found to advocate violence in connection with the NSRP fight against

integration are barred from NSRP membership or are expelled if they are already members.

[redacted] branded as lies the allegations made in the statement reported by news stories to have been obtained by the Atlanta Police Department to the effect that the bombing of the Jewish Temple in Atlanta had been discussed at an NSRP meeting in Atlanta in May 1958. He said these "lies" were inspired by the Anti-Defamation League or by [redacted] or two of his followers who were expelled from the NSRP because they did advocate violence. [redacted] identified [redacted] as the [redacted] of the U.S. Klans but indicated that he could not recall the names of the two [redacted] followers who were expelled from the NSRP. He said that the name of one of the men might be ([redacted]) [redacted] said that [redacted] was an [redacted] man" but had promised to drop his association with [redacted]

[redacted] said that [redacted] and [redacted] were Atlanta NSRP members. He identified [redacted] as [redacted] of the NSRP in Atlanta.

The [redacted] have criminal records and therefore can not be members of the NSRP. The [redacted] are politically and socially unacceptable to the members of the NSRP at Atlanta. [redacted] in a long distance telephone call to [redacted] on the night of October 13-14, 1958, told [redacted] that members of the Atlanta NSRP had not been in contact with the [redacted] "for a long time."

[redacted] denied knowledge of the current location of [redacted]

[redacted] indicated that he had talked with [redacted] at home in Atlanta as previously indicated by long distance telephone, that [redacted] was not hiding from police, and that he would be found at his home.

[redacted] "knows" that [redacted] and [redacted] would not be involved in any incident involving violence such as the Atlanta bombing. [redacted] based his denials of guilt on the part of these individuals on his knowledge of their character and natures.

LS 44-294

[redacted] said that during the NSRP Convention in Louisville on August 30-31, 1958, he talked at length with all of these people and that if they had had any plans concerning an incident such as the Atlanta bombing, they would have told him.

[redacted] indicated that he was very close to [redacted] and that he knows that [redacted] could not have kept such information from him. [redacted] advised that [redacted] had been the [redacted] for the NSRP until he and other NSRP members were arrested for picketing in Atlanta in the summer of 1958, at which time [redacted] parents insisted that he return to Detroit.

[redacted] mentioned J. B. STONER, whom he identified as a non-practicing attorney "who has his own group." STONER is not a member of the NSRP because he and the NSRP disagree politically. In spite of this, STONER and the Atlanta NSRP members are personally friendly. [redacted] indicated that he had learned from [redacted] that [redacted] and J. B. STONER had been together in public on the night of the bombing of the Clinton, Tennessee, High School. [redacted] did not know where STONER and [redacted] had been on this night.

[redacted] claimed that he knew no one who advocated violence in fighting integration and had never heard anyone advocate violence. He advised that no one at the NSRP Convention advocated violence in any of the public speeches.

Asked if he had any theories as to the bombings, [redacted] said that he thinks they are being perpetrated by two groups. One group, the "Confederate Underground" is "fanatically anti-Jewish" and is "blasting the Jews," or bombing Jewish synagogues and institutions. This group he noted "makes telephone calls." [redacted] was questioned as to his use of the term "Confederate Underground" and said that this term had appeared in news accounts. [redacted] indicated that by telephone calls he referred to the anonymous telephone calls received subsequent to bombings.

[redacted] said that the other group is bombing schools such as the Hattie Cotton School and the Clinton School and makes no telephone calls.

b6
b7C

[redacted] claimed that he had drawn the above conclusions from information he had obtained from news stories regarding bombings and again denied any implication or first-hand knowledge of such bombings. [redacted] also suggested the possibility that Communists or "Jews" had perpetrated the bombings of schools and Jewish institutions to arouse sympathy or to discredit the NSRP.

The August 23, 1949, issue of the Tampa, Florida, "Morning Tribune" newspaper contained an article reflecting an interview with [redacted] of the SKKKK, relative to the formation of this new Klan. According to the article, [redacted] said the organization was an outgrowth of the Klan set up in 1915 by WILLIAM JOSEPH SIMMONS. [redacted] stated SKKKK was started under the name Original Southern Klans, Incorporated, in June, 1948, a branch of which was formed in Tallahassee, Florida, in January 1949.

Original Southern Klans, Incorporated, has been designated by the Attorney General pursuant to Executive Order 10450.

On January 29, 1950 [redacted] publicly announced in a news release to the Associated Press that the purpose of the SKKKK was to combat the growth of communism in the United States and to oppose groups advocating hatred toward any person or group.

On May 23, 1955, a source advised that [redacted] informed he was dropping "Southern" from the name of the Klan and that it would be known as KKKK.

On December 24, 1957, another source advised that [redacted] announced that the KKKK was being disbanded. According to [redacted] some of the Klan groups of this organization will unite under the name "National Christian Church". However, on March 3, 1958 this source advised [redacted] did not disband this organization which is still active.

On January 22, 1958 another source stated in informant's opinion this organization existed only in the imagination of [redacted] as a means of gaining publicity for himself following his forced [redacted] from the South Carolina Knights of the Ku Klux Klan.

The "Greenville News," a Greenville, South Carolina, newspaper, in its issue of January 2, 1958, published an article which reflected that [redacted] had announced on the previous day that NKKKK was being dissolved.

Source stated the objectives of the IKKKK are to maintain white supremacy and to fight against the integration of the races in any form and it is dedicated in doing so to a program of terroristic activities.

Re: National States Rights Party

Alabama State Senator SAM ENGELHARDT, Shorter, Alabama, former Executive Secretary of the Citizens Councils of Alabama, has advised on several occasions that he is vigorously opposed to anti-Semetic, hate-mongering organizations such as NSRP. Senator ENGELHARDT advised that as a prominent leader of the pro-segregationist Citizens Councils of Alabama, he has received correspondence of one kind or another from every other organization which claims to be pro-segregationist, including the NSRP, and is, therefore, familiar with the locations of active groups of such organizations. He advised on December 11, 1958, that he has not heard of any active chapter or group of the NSRP located in the Middle or Southern (Federal Judicial) Districts of Alabama. He said that he was aware that the NSRP has a Post Office Box in Birmingham, Alabama, but does not know whether an active chapter is located there.

Confidential informants familiar with Klan activities in Central Alabama have all advised that they know of no chapter or group of NSRP in Alabama.

As has been previously reported, Informant T-2, who has furnished reliable information in the past, advised on September 3, 1958, that in August, 1958, at the National Convention of the NSRP at Louisville, Kentucky, Admiral JOHN CROMMELIN (Retired), of Wetumpka, Alabama, was nominated in absentia as the NSRP candidate for president of the United States in the 1960 elections.

In those instances where offices feel no information with respect to the activities of the captioned organization in their Divisions need be included in the investigative summary report, the Louisville Division should be so advised. With respect to the instructions that the report include background information concerning the leading figures of the captioned organization, Louisville is currently considering the following as leading figures on a national scale. The offices whose names are set forth in parenthesis after each individual should include the necessary background information regarding that individual in its letter:

ARTHUR B. COLE - LaFollette - National Chairman
(Knoxville)

[redacted]

NED DUPES - Knoxville, Tennessee - National Secretary
(Knoxville)

[redacted]

J. B. STONER - Atlanta, Georgia - Legal Counsel
(Atlanta)

[redacted] of the "Thunderbolt" will also be considered leading figures on a national level and background information concerning them will be prepared by the Louisville Division. In view of previous information indicating members of the captioned organization may have had some connection with the bombing of The Temple, 1589 Peachtree Road, N.W., Atlanta, Georgia, on 10/12/58, the Atlanta Office should include in its letter information as to the possible involvement of any such members in this bombing.

The National States Rights Party is the successor to the United White Party. This latter organization, according to available information, was created at a meeting in Knoxville, Tennessee, in November, 1957. Accordingly, Knoxville's letter should include information regarding the formation and activities of the United White Party. Available information also indicates that the United White Party joined with States Righters at a meeting in Knoxville,Tennessee, to form the National States Rights Party. Knoxville should, therefore, include in its letter information regarding the changeover from the UWP to NSRP.

It is requested this matter be afforded prompt attention and the desired letter reach the Louisville Division without delay and in no event later than January 10, 1960.

It was reported by [redacted] that while in Montgomery [redacted] talked with a man by the name of [redacted] but that he did not locate [redacted] b6 b7C b7D

On June 28, 1960, Mr. CONNOR said that on June 23, 1960, he had sent a letter to [redacted] directed to the NATIONAL STATES RIGHTS PARTY, Post Office Box 261, Jeffersonville, Indiana. In this letter he said he told him that, in substance, [redacted] and the NATIONAL STATES RIGHTS PARTY were not welcome in Birmingham. He said that the letter pointed out that it was the policy of the Birmingham Police Department not to tolerate violence and he wanted [redacted] and his organization to know this in order that they might be guided accordingly. Mr. CONNOR further said that the next day he received a letter from [redacted] which was left in his outer office while no one was there. In this letter [redacted] said the following:

"NATIONAL STATES RIGHTS PARTY
Post Office Box 261
Jeffersonville, Indiana

July 24, 1960

"Honorable Eugene Connor
Commissioner of Public Safety
316 City Hall Bldg.
Birmingham 3, Ala.

"Dear Mr. Connor:

"Thank you for your personal letter of June 23rd. It seems that you have been grossly mis-informed as to the purpose of the NATIONAL STATES RIGHTS PARTY in Birmingham. I feel that you have been approached by a race-mixing organization known as the Anti-Defamation League of B'nai Brith.

"The following is the true nature of our coming activity in Birmingham:

"1) We plan NO parades or sidewalk speakings and have never held such demonstrations in the history of this organization. We are not a Klan or Ace Carter type group, but a legal political Party.

"2) We very strongly oppose violence in any form & have never had any type of violence connected with our work.

" 3) I myself am a Roman Catholic & feel most members of my church in the South are for Segregation.

" 4) We are not 'outsiders' moving into Birmingham, my home is in Atlanta, (I lived there most all my life) and the other leader who will be working here is from Montgomery where he was born and raised.

" 5) We will open an office here for the purpose of:
a) Publishing our Newspaper, 'The Thunderbolt.'
b) A campaign office for our pledged slate of electors which will be on the November ballot.

" We have absolutely no connection of any kind with the so-called un-pledged States Rights electors. We feel that our electors should be pledged to a definite Segregationist candidate. We feel that the voters should decide this question without side issues being thrown in.

" Furthermore, we want you to know that this organization will cooperate fully with your office. We support your well known stand for Segregation 100%.

" Perhaps we may not be of benefit to your office at this time, but in the future you will be able to count on our active support to back you up against your political enemies.

" The very same people who are out to get you Mr. Connor, are those who are out to stop the National States Rights Party.

" Please feel free to call upon me at any time and for any reason. I feel that we can and will exist together here in Birmingham in full cooperation, and a smooth relationship will develop.

Very Sincerely Yours

Mr. CONNOR continued that he had, as set forth in Birmingham airtel dated June 18, 1960, been in contact with Governor ORVAL FAUBUS of Arkansas recently and had given FAUBUS a chance to denounce the NATIONAL STATES RIGHTS PARTY and its use of FAUBUS as a candidate. Mr. CONNOR said that he had received on June 27, 1960, a copy of a letter which Governor FAUBUS had written to [redacted] in which he repudiated the NATIONAL STATES RIGHTS PARTY, said that he, FAUBUS, was desirous of re-election for Governor on the Democratic Ticket and was going to remain loyal to the Democratic Party. He, therefore, said he wanted the NATIONAL STATES RIGHTS PARTY to discontinue publicizing his name as a possible candidate on their ticket.

Mr. CONNOR said that on the basis of this, he plans to wait until the NATIONAL STATES RIGHTS PARTY gets set up in Birmingham, then he will publish a complete expose of them, together with the text of FAUBUS' letter. He said he hoped thereby to warn possible contributors and supporters of the Party of the nature of the organization. CONNOR said that he is not in any way in sympathy with the NATIONAL STATES RIGHTS PARTY, its methods, aims, or officers, and intended to do everything within his power to see to it that it enjoyed no success whatsoever.

Mr. CONNOR was of the opinion that the trips made by [redacted] to Montgomery and to Atlanta were probably occasioned by the reaction to the FAUBUS letter. He said that he felt now that FAUBUS has turned his back on the Party, this would necessarily cause them to change their plans and probably disrupt them considerably.

The Bureau and interested offices will be advised of any further developments.

SUBJECT: []

Reference is made to Bh 105-477-127, and it is suggested tha t one copy of that serial be transferred to this case file, if one is opened. On 7/12/60 SA [] b6 b7C interviewed subject for the purpose of determining whether he could be considered as a PCI. Subject appeared very knowledgeable of communist and racial matters, and had an acquaintanceship with the National States Rights Party. He professed to be anti-communist and anti-nazi, and stated an intention to cooperate with the FBI in any manner possible. He said that his purpose however in initially contacting the FBI in Birmingham was that it was suggested to him that he do so by a N.Y. special agent. He said that he does not want to get in any further difficulty with law enforcement officers, and that after he accidentally met [] b6 b7C in Birmingham, he thought it would be best if he made this known to the FBI.

The interview was conducted primarily to establish a friendly relationship with subject, and therefore, no affirmative effort was made to suggest or plan a course of conduct for him by which he would be in a position to obtain information concerning the National States Rights Party.

105-477-133

Subject stated that he came to Birmingham about 2 weeks ago after considering several other cities. He said he in Brooklyn, N.Y., but felt that it was best to leave there after.

He was sentenced to 90 days in jail, served 11 days, and is now under a $500 appeal bond. At the time of his arrest, a membership card of the National Renaissance Party (headed by [redacted] phonetic) was found in his wallet. He said that he once wrote to that organization for literature, and was also sent a membership card, without solicitation on his part. He said he was told by a policeman that his case would probably not have been pressed if he had not had that card. MEMORANDUM

To:

From:

Date: December 28, 1959

Subject:

Subject is mentioned as a henchman of G. Lincoln Rockwell in your December 23 memo on Rockwell. You state [redacted] is one of the boys who has been helping Rockwell distribute Nazi-type literature in and around Washington, D.C.

[redacted] has come to our attention previously.

In April of this year, [redacted] reportedly distributed copies of "Common Sense" in the cafeteria of [redacted] where he was a student. Information from [redacted] office, which investigated the case, indicated the following about [redacted]

1) He had been a problem to his parents and the local community prior to his activity on the school grounds.

2) He came to [redacted] following expulsion from a Catholic parochial school and the [redacted]

3) His parents were most concerned about his behavior and were most cooperative in the school's efforts to deal with young [redacted]

4) The Dean and guidance personnel of [redacted] were working with young [redacted] in an effort to resolve his behavior problems. He was described as a frustrated youngster with a good mind, but completely lost among the superior body of [redacted] and was a chronic truant.

5) It was also reported at that time that [redacted] might be having some truck with a gang in Yorkville and might be picking up copies of "Common Sense" in that area. (My guess would be that if [redacted] were involved in Yorkville, it might well have been with the Dommers and remnants and fringes of their gang in that area -- and you know of that group's link to Rockwell. There is no evidence that this is the crowd involved, or even that [redacted] was actually involved in Yorkville activity -- just a report to that general effect.)

6) An assemblyman and a local priest were made aware of [redacted] distribution of "Common Sense" and his activities.

More recently -- in November, 1959 -- we received in the mail a mimeographed leaflet bearing [redacted] name. It was sent by someone who found it in a brokerage office of Merrill, Lynch, Pierce Fenner and Smith. I am attaching photostats for such use as you and your friends may care to make of them. Note the complimentary references to McGinley, Common Sense, Christian Educational Association, Ben Freedman, etc. [redacted] is a henchman of McGinley's of long standing.

H. Roy Bruce

"Brotherhood is now a condition of survial, according to James E. Pitt, jewish author of the book "Adventures in Brotherhood." This is an extremely enlightening statement when viewed by a Catholic who is cognizant of the actual implications of the word "Brotherhood" as practiced by such anti-Catholic organizations as the Anti-Defamation League, The National Conference of Christians and Jews, and the National Council of Churches. The immediate reaction is one of righteous wrath, and well it should be! Brotherhood, as defined by Our Holy Mother the Church, is that practice of treating ones fellow man with Christian kindness, out of respect for the fact that his body is the dwelling place of the Holy Ghost. The Catholic concept of Brotherhood does not, by any means, necessitate the surrendering of ones immortal soul to a place of eternal torment so that one can practice [illegible] hood by tolerating innumerable heresies an/or outrages against holy Mother Church. Nor does the practice of brotherhood require one to tolerate the potential ruination of his country so that a tribe who were once Gods "chosen people" may experiment with an already proven failure called "communism" or more correctly "bolshevism." Brotherhood does not require one to curb ones speaking habits so as not to "offend" a certain minority.

Most assuredly, this Brotherhood scheme must be exposed for what it really is, and stated quite simply.....IT IS MERELY ANOTHER SCHEME OF THE POWERFUL LUCIFERIAN ARMY.

But again, as so often in the past, THE GATES OF HELL SHALL NOT PREVAIL AGAINST HOLY MOTHER CHURCH.

While the so-called Anti-Defamation Leage and organizations of similar ilk busy themselves fereting out every person even suspected of "anti-semitic" leanings (for their own files, which on occasion have been refused to the United States Government) the vicious flood of anti-Catholic propaganda continues from jewish-owned and controlled presses. (See the filthy, anti-Catholic remarks found in the Sept. 59 Independent, a jew-owned scandal-hate sheet.) Any person capable of logical, objective, thought would immediately ask himself; "where was the A.D.L., or the Civil Liberties Union, or (sic) Eleanor Roosevelt?" Again, any person who is thoroughly aware of the conspiracy against Christ and against America knows better than to expect any aid whatever from these or any other sources, for that matter.

Twenty years ago a parish Priest in Royal Oaks, Michigan had the answer. Through the auspices of the Radio League of the Little Flower, Fr. Charles Coughlin waged a personal crusade against these "whited sepulchres." Organizations like the Christian Front arose, seemingly overnight, and for a few short years it seemed like America was willing to save its heritage as a Christian nation. But the power of organized, invisibly organized, jewry was too great! Fr. Coughlin was silenced, members of the Christian Front were harassed, labeled as "nazis", ministers were arrested, and in general, America became a living hell for Christian Patriots.

If a successful battle is to be waged against such filth and bigotry men of zeal, courage, and Catholic tradition will be required immediately in great numbers.

"Finally brethren, be strong in the Lord. Put on the whole Armour of God."

The poor slob can never hope to get a crack at such as Kim Novak or Lana Turner, in fact not even Virginia McManus except possibly as a night school student.

The best a slob can do is to take his wife or girlfriend to the movies then push his imagination to its limit once home in bed or in the back seat of his car. Girl slobs who stormed the movie Hercules can forget all about ever making it with the star or even a reasonable facsimile. The best such dreams of glory can provide is the stamina to help them fake it again and again without cracking up.

Movies And Mass

The movies and the Sacrifice of the Mass provide collective diversion and escape for millions of slobs each week. The judas goats use churches, schools, moral codes, the press and broadcasting, the flag, home and mother, legends of heroic judas goats encourage harmless activity of this sort because they know it serves to keep slobs in line.

The problem of saving a Christian nation from talmudic duplicity is not a new one. In the United States of America it has reached the critical stage. Now, more than ever before we Catholic Americans must rely on the inspired teachings of Holy Mother Church. Now, more than ever before, we must abide wholeheartedly by the command of the Apostle Paul:

"Finally, my brethren, be strong in the Lord, and in the power of His might. Put on the whole Armour of God, that ye may be able to stand against the wiles of the devil. FOR WE WRESTLE NOT AGAINST FLESH AND BLOOD, BUT AGAINST PRINCIPALITIES, AGAINST POWERS, AGAINST THE RULERS OF DARKNESS OF THIS WORLD, AGAINST SPIRITUAL WICKEDNESS IN HIGH PLACES. Wherefore, take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand."

The leadership of our once-free, once-Christian, country is now in the hands of a few fanatic racists who call themselves Zionists. One, the ruler of these maniacs, has been adviser to our Presidents since the time of Pres. Wilson. He was instrumental in composing the Treaty of Versailles and engineered the League of Nations.

The book, "Peace through Strength" by Morris V. Rosenbloom states:

"Foresight? From the middle 1930s to the outbreak of World War II, "Bernie", as Pres. Roosevelt called him, urged the administration to stockpile tin, rubber, and other strategic materials. Late in W.W.II, he was instrumental in establishing the procedures to be followed in terminating government contracts with industry, and in converting our economy back to a peacetime basis."*

Did You ever elect Bernard Baruch to any office whatever? If not, by what right does this professed Zionist wield such great influence over affairs which directly and deeply influence your life?

Inform your elected officials that

you voted for them because you expected them to discharge their duties in a manner consistent with the highest ideals of Christianity. Further inform them them that when they cease to perform their duties in that fashion they have betrayed the trust placed in them by their Christian constituents, and they can be dealt with accordingly on election day!

AMERICA IS A CHRISTIAN NATION, FOUNDED ON CHRISTIAN PRINCIPLES, BY CHRISTIAN MEN, WHOSE ULTIMATE GOAL, DEVOID OF POLITICAL IMPLICATION, WAS TO GIVE GLORY TO CHRIST OUR KING.

At the university of Notre Dame, once-proud institution lovingly dedicated to the Mother of God, but now a showcase of cringing liberalism; cunning infidelity to the faith, and subtle spiritual seduction of the youth entrusted to her care, there has long been a tradition associated with the saintly founder of the University, Fr. Edward Sorin, that the FIRST IMPORTANT APPEARANCE OF THE ANTICHRIST BEFORE A PREDOMINANTLY CHRISTIAN AUDIENCE WOULD BE ON THE GROUNDS OF THE UNIVERSITY OF NOTRE DAME!

On July 11, 1955, Abba Eban addressed a group of law students in the Law Building Auditorium.

With an almost unbelievable record of destruction and deliberate profaning of Sacred and Holy buildings and shrines by the official Israeli criminal gangsters, Abba Eban had the unmitigated gall to state in honeyed tones to his audience of "intellectual" boobs and dupes "WE ARE FULLY AWARE THAT MANY CAUSES AND ASSETS SACRED TO CHRISTIANITY LIE WITHIN <u>OUR CONTROL</u> AND DEMAND OUR MOST VIGILANT REVERENCE....."

For what length of time must Christians tolerate the satanic mutilation of Sacred Shrines, Churches, and Church-property within the Holy Land. By what right do these yiddish-speaking Mongols occupy land which their ancestors have not set foot in since the year 90 A.D.? By what right do these criminals deprive 900,000 Arabs of land which is rightfully theirs?

BY THE SAME RIGHT THAT THEY DOMINATE THIS AND EVERY OTHER CHRISTIAN COUNTRY IN WHICH THEY HAVE "VISITED." THAT RIGHT IS THE FANATIC RACIAL SUPERIORITY CONCEPT WITH WHICH THEY ARE IMBUED, THE TOTAL LIE THAT THEY ARE STILL "GODS CHOSEN PEOPLE!"

O'LORD, defend us from this jewish persecution.

Excerpts from the book "Questions and Answers on Communism"

based on PAPAL and COMMUNIST OFFICIAL WRITINGS
by

HIS EMINENCE RICHARD CARDINAL CUSHING
ARCHBISHOP of BOSTON

Q.- Did the United States officially and unofficially aid the Communist Revolution?
A.- Yes. The revolution could not have succeeded without substantial aid from the government of the U.S. and the support of the Soviets by thousands of individuals and pro-Communist organizations in this nation.

Q.- What are some of the most important examples of such aid?
A.- First, the large sums of money contributed to the revolution by powerful banking firms in New York City, as well as in London and Paris. The facts in this case are a matter of record and have never been challenged by the International Bankers.

Q.- Did the first and second World Wars contribute to the success of the Communists?
A.- Greatly: Both wars were planned and formented by Marxist leaders in Russia, England, New York, and Washington.

Q.- Have recent Supreme Cout decisions been favorable to the Marxists?
A.- Yes: The Marxists here and in Russia hailed the rapid integration EDICT in Little Rock, because they favor racial discord. The radical decisions of the Supreme Court against investigation and prvention of Communist subversion by State authorities was a real gain for Marxism.

Q.- Did the United States government help the cause of Communism in Spain and elsewhere at this time(1932-1937)?
A.- Decidedly: It allowed the Abraham Lincoln Brigade openly and illegally to recruit soldiers for service in the Loyalist (Marxist) Army, it encouraged reds, pinks, and fellow travelers to circulate widely misleading propaganda and to attack publicly General Franco and the defenders of civic and religous freedom in Spain.

*** ***

Q.- What further description of Communism is found in the 1937 Encyclical?
A.- It is a universal, Satanic conspiracy, supported by powerful financial resources (i.e. the International Bankers), skillfully organized, directed by clever men, and efficiently operated. (Note: the leaders of this universal conspiracy are the successors of the ancient Pharisees. They promote the same idea of a temporal, material, messianic kingdom.)

PUT ONLY AMERICANS ON GUARD TONIGHT

"A real patriotic candidate is either "character assassinated" by well placed rumors, allegations and slanders that effectively deny acceptable answers; or he contracts some loathsome and painful disease and dies when his opposition becomes too strong and too dangerous to the plans of the conspirators and their flunkies".
Statement by Roderick J. Wilson, Chairman National Party, U.S.A.

Following a meeting announced in "The Worker", official Communist organ, and speakers at which were cited in a House Un-American Activities report, three American boys Hugh R. Bruce, Seth D. Ryan and Gilbert R. De Mello, who protested at what they had heard, were accused of breaching the peace by three people who were just "accidently" at the place of the meeting. The three accusers were: Harold Maratech, who claimed to be a "rabbi", altho he could not name his congregation; Ijzyk Waga, and Chaim Hirschenbaum.

Upon this complaint, the three Christian American boys were arrested and charged with Disorderly Conduct.

At their arraignment, the three American boys were not permitted to speak in their own defense, altho the accuser who claimed to be a "rabbi" was permitted to make aspeech concerning the persecution of Jews in history and the alleged death of 6 million Jews in Germany - matters which had absolutely no bearing on the disorderly conduct charge before the court.

When one of the youthful defendents asked to give their side of the story concerning the disorderly conduct charge, Magistrate Irving Schrechinger retorted, "NO YOU MAY NOT !" Magistrate Schrechinger then went into a long tirade that the three American boys were plotting to wipe out his people and had been conspiring to put him (Judge) in an oven. The youths had never even seen the Magistrate before in their lives and absolutely no evidence was brought forth to support his serious accusation.

Without being permitted to speak in their own defense, the

Christian American boys were held in a total of $45,000. bail, an amount which exceeds that placed upon bank robbers, rapists, and murderers.

The trial was held on January 29, 1960, a Friday, between the hours of 12 - 3:00 p.m.

Having spoken with one of the defendents for only 4 minutes preceding the trial, the defence counsel Mrs. Della V Dodd, was completely un-prepared. However, several motions for adjournment were denied after the District Attorney Schwartz had argued that the case should be tried right away - quick.

The trial was held despite the lack of preparation and the three boys were found guilty of disorderly conduct.

As "rabbi" Maratech, Chaim Hirschenbaum and Ijzyk Jaga gloated, the three Christian American boys were sentenced to 3 months each in the workhouse.

After studying the official court transcript, Ernest F. Elmhurst, noted author of "The World Hoax", feeling deeply concerned with the case, had this comment: "It is evident from the **Court Record**, that the accuser Harold Maratech, who claims to be a rabbi, could not even name the congregation to which he belonged."

Hope is not lost for the three Christian American boys. An appeal is now pending. But these boys need your help!

APPEARANCE IN NIGHT COURT ON JANUARY 26, 1960.

One of the accused asks Judge Schreckinger if he could make a statement. Schreckinger replies:: "'Bo you may not'", and continues "'You preach hate; that''s what you d o. You ought to be ashamed of yourselves. You are not fit to have the right to have freedom."

"You think you are of a higher race, but you are lower than anything I have ever seen" the magistrate continued, white with rage. "You are weak in mind and body. You haven't the guts to stand up like real Americans. Youare sick; you belong in a hospital. You need psychiatric treatment, because you have sick minds."

"I served 3 and a half years in the army in the big war. For what? To save people like you, so you can put my kind and me in an oven?? I'm proud of my people and their record."

Shortly after Schreckinger completed his outrageous speech, he set bail at $45,000 for the three defendents. He did not permit any of the three youths totell their side of the story at any point during the proceedings. The magistrate accused the youths of plotting to put him into an oven, although no evidence whatsoever has been found to support his incredible charge. This man shows his lack of knowledge or understanding of American traditions and the American Constitution by his un-american remark to the three innocent young men: "You are not fit to have the right to have freedom." But this was only one of the many outrages, slanders and outright lies permitted during the days to come.

PERSECUTION BY PROSECUTION

A 19-point indictment of present day American "justice" in the case against three American youths - which could well go down in history as one of the most tragic miscarriages of justice ever to occur in an American Court.

On January 26, 1960, after the conclusion of a Communist Party, U.S.A.-sponsored anti-Christian and anti-American meeting, the speakers at which have been cited in the House Un-American Activities report on Communist front organizations, three American youths were arrested for breaching the peace of a small group of Communist sympathizers, who had been tormenting them with loud and boisterous anti-American and anti-Christian remarks.

The following is the story of the three American youths "trial, which is mostly composed of exact excerpts from said trial from the official court transcript. The author's comments are identified with the * symbol.

"WHY ISN'T THIS LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT) ?" Hon. Vincent P. Rao, Presiding Judge.

* (1) Why? Because at their original arrignment - after the charges had been stated against them, the three youths were denied an opportunity to speak in their own defense. When they asked for an opportunity to give their side of the story, Magistrate Irving M. Schreckinger screamed:

" No! you may not!"

* The magistrate then went on to charge that the youths were conspiring to "wipe out his kind and him." Then, in an insane rage, Magistrate Schreckinger, charged that the three youths had been conspiring to "put him in an oven." However, no evidence in support of this charge was introduced.

"WHY ISN'T THIS LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT) ?" Judge Rao's statement.

* (2) Why? Because the bail in this case, supposedly a simple "disorderly conduct" case, was set at $45,000.00 total for the three youths. This bail exceeds, in some cases, the amount of bail imposed upon bank robbers, rapists and murderers.

" WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)? - Judge Rao.

* (3) Why? Because one of the defendants, Seth Ryan, entered the court room unrepresented by any counsel, and then was permitted to speak with the attorney to be his counsel, Mrs. Bella V. Dodd, for only four minutes, and this was in the presence of a police officer who refused to let them confer in private as guaranteed by the Constitution.

"WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

(4) "Let me show you the newspaper clippings on this thing," Mrs. Dodd.

105-477-140

Mrs. Dodd: "This is the kind of thing that if a man was charged with murder, and you came in the day all the newspapers are yelling "Lynch him!" you wouldn't try the case on that day! Read those newspaper accounts! tastic!" "These are expanded facts. These are garbled. These truth. And this creates the very thing we're trying to avoid. hate; it creates division when we're try our and care for each other."

Mrs. Dodd: "I'm going to give you another good reason WHY this case should be adjourned.....So much heat and so much confusion has been created by this case in the press, that I do not believe that it's possible to try this case now, and actually face the facts - - rather than all the implications."

(5) Mrs. Dodd:..."I want to renew my plea for an adjournment on the ground that I notice that the people have a considerable number of witnesses, and that I am not able to make that kind of investigation since I only saw Hugh Bruce yesterday, and I've only met Ryan today."

The COURT: "Your motion is denied."

"WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

(6) Mrs. Dodd: "I'd like some chairs for these people, so we can sit down and go through a trial in a decent way."

The COURT: "....would it make any difference whether you're in a sitting position or a standing position, to consult with the defendants?"

Mrs. Dodd: "In a decent court proceeding; we're entitled to chairs, and these boys have to hold onto their coats and everything else. It just makes it look like a Police Court."

* (7) Next is Defense Attorney Mrs. Bella V. Dodd's cross-examination of one of the witnesses against the defendants, Harold Marateck, who claimed he was a Rabbi - although it was proven he is only posing as a Rabbi and actually is a paid speaker for left-wing organizations.

(Question) Mrs. Dodd: "Rabbi, by the way, you are a Rabbi; and do you have a congregation?"

(Answer) Mr. Marateck: "I don't have any congregation at present."

(Question) Mrs. Dodd: "Which seminary(school) did you go to, Rabbi?"

(Answer) Mr. Marateck: "Er...ah"

"WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT?) - Judge Rao's statement.

* (8) The following is a portion of Mrs. Dodd's cross-examination of another witness against the three youths, Ijzyk Waga. Mr. Waga is being asked how he knew about the Communist meeting, since the only place it was mentioned was in the Sunday edition of "The Worker," official voice of the Communist Party, U.S.A.

(Question) Mrs. Dodd: "You didn't come there because you saw this in the "Daily Worker" the Sunday before? You were just "accidentally" there?"

(A nswer) Mr. Waga: (nods yes) "Accidentally."

"WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

(9) Mrs. Dodd: "I would like to state as far as this arrest is concerned, we have not been told who made the arrest, and the State has failed to produce the officer who made the arrest." "At this time, I want to renew the application that I have not had sufficient time to prepare and to investigate whether this was a proper arrest."

The COURT: "This has nothing to do with the merits of this case."

WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)? - Judge Rao's statement.

(10) Mrs. Dodd: "While I tried to talk to the defendant, Seth Ryan, after Your Honor gave me permission to talk to him, ...this officer insisted upon standing there, and insisted upon saying that he was in charge of the prisoners, and I could not talk to them(the defendants) without his being present."

The COURT: (Sarcastically) "Oh, Miss Dodd!"

Mrs. Dodd: "The Police Department also needs to learn that there are constitutional rights which the defendants are entitled to."

The COURT: "He probably got advice from the District Attorney."

Mrs. Dodd: "I don't think the District Attorney would give him advice not to let counsel speak to him without being present. I don't think the District Attorney would ever do anything.

The COURT: "How about SHUTTING UP!"

"WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

* The following is a portion of the testimony of one of the three defendants, S eth David Ryan:

(11) Mr. Ryan: "At one point during the evening when I heard the mention of "Stalin" several times, saw and heard a conversation in which was given reference to myself many times - through the looking of the people over my way - at one time I did say "Heil Hitler" and raised my hand."

Mrs. Dodd: "A nd did you do it seriously?"

Mr. Ryan: "I did it more or less as an act of defiance against an enemy which is penetrating my country. I thought that this would be the greatest act of defiance I could show against them, the Communists."

Mr. Ryan: "A ll my beliefs are based on love. I love my country; I love decent people; and I love justice. I have no hate in my heart anywhere."

"WHY ISN'T THIS CASE LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

* (12) The following is a portion of the perjured testimony of Patrolman Irving 1. Lebert. Compare the statements of this witness; first, is the statement to the District Attorney, and, second, is the statement to Mrs. Dodd - under cross-examination. Notice how Mrs. Dodd traps the lying witness in the web of his own lies.

The following is the direct questioning of Officer Lebert by the District Attorney, Allen G. Schwartz:

(Question) D.A. Schwartz: "Officer, did you search the defendant, Hugh Bruce."

(Answer) Officer Lebert: "Yes, sir."

(Question) D.A.Schwartz: "Did you find in his possession this newspaper?"

(Answer) Officer Lebert: "Yes, sir."

(Question) Mrs. Dodd: "Officer, who searched the defendant, Hugh Bruce?"

(Answer) Officer Lebert: "I was among the ones."

(Question) Mrs. Dodd: "No, no, no - who searched the defendant, Hugh Bruce?"

(Answer) Officer Lebert: "I DID."

(Question) Mrs. Dodd: "You, personally?"

(Answer) Officer Lebert: "Well - there were a couple of other officers...."

(Question) Mrs. Dodd: "No. I mean who searched him?"

(Answer) Officer Lebert: "I witnessed the search."

(Question) Mrs. Dodd: "You didn't search him personally?"

(Answer) Officer Lebert: "I didn't actually put my hands on him."

(Question) Mrs. Dodd: "You did not search him?"

(Answer) Officer Lebert: "Not actually."

(Question) Mrs. Dodd: "By whom were the papers taken into custody?" Did you take them from him?"

(Answer) Officer Lebert: "By the Police Department."

(Question) Mrs. Dodd: "But not by yourself. Not by yourself?" The answer, officer, yes - or no?"

(Answer) Officer Lebert: "W-e-l--l, - no."

"WHY ISN'T THIS LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

** (13) Key witness for the defense, Edwin D. McMullen - took the stand, along with a copy of the House Un-American Activities Committee Report on Communist-front organizations and individuals. Mr. McMullen had PROOF POSITIVE that the meeting at Union Square Park on the evening of January 26, 1960 was a Communist-sponsored meeting run by known enemies of America. However, Mr. McMullen was ordered off the stand by Judge Rao as soon as the Judge realized that Mr. McMullen's testimony would certainly vindicate the defendants.

** The following are portions of the very brief testimony Mr. McMullen was allowed to give, including the judge's order that he(Mr. McMullen) cease testifying:

(Question) Mrs. Dodd: "Mr. McMullen, do you have any information of your own knowledge as to the kind of meeting this was?"

(A nswer) Mr. McMullen: "Yes, I do."

(Question) Mrs. Dodd: "Where did you get that information?"

(Answer) Mr. McMullen: "I got it from the House Un-American Activities Committee record, of sponsors of the meeting, and Communist-fronts that were used."

The COURT: "Do you have a notation from the House Un-American Activities Committee?"

Mr. McMullen: "Yes, I have it here."

The COURT: "THAT'S as far as you're going to go!"

* Mr. McMullen looks surprised, and hesitates momentarily.

The COURT: "That's all!!!"

"WHY ISN'T THIS LIKE ANY OTHER CASE 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

* (14) The following is a portion of the statement of Judge Rao, upon finding the defendents guilty.

The COURT: "I'm satisfied the acts were such that they were not intended to provoke a breach of the peace...I'm trying to put in the background, the issue of race, - but we necessarily must discuss it to determine whether the acts were such that they would provoke a breach of the peace."

The COURT: "ALL three defendants are guilty of this charge."

The COURT: "I decided this case. Now, in my opinion, they are anti-Semetic."

The COURT: "You see, these boys are full of philosophies - - they do a lot of reading."

* (15) Judge rao has said he is trying to be impartial - yet, even though the charge is Disorderly Conduct, he says - - "we must necessarily discuss the issue of race." But WHAT has the racial issue to do with the case? Why is the fact that the accusors against the three boys, are all of the Jewish race being stressed? The Judge has said that he particularly mentions the Jewish race because of all the suffering the Jews have gone through. But does this actually have a bearing on the charge "disorderly conduct"?

Mrs. Dodd now replies to the Court on this question.

Mrs. Dodd: "Let me say that they(the defendants) have discussed with me the fact that they feel that Communism begets "anti-Semitism," that the Communists use the issue whenever it's convenient to them, and FOR THAT REASON, they hate the hypocrisy of the Communist movement, when they try to promote what they (Communists) say is "peace" and "brotherly love." The Communists have most cruelly used the question of anti-Semitism whenever it was convenient for them."

"WHY ISN'T THIS CASE LIKE ANY OTHER 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

* The three boys have been found guilty of disorderly conduct. On the question of sentence, District Attorney Schwartz had this to say:

X* (16) Mr. Schwartz: "Your Honor, I'm going to urge the Court, in this instance, to punish the defendants. I would like to see them punished, Your Honor, because I don't want to put the office, or myself, in the position of being vindictive....These defentants haven't shown any repentance. They haven't shown any tendency to take a step backward....these men came in here and testified without humility. It isn't a question that they were reluctant, sorry, apologetic. They haven't shown me any of that, in this court - today."

* The District Attorney urges stiff punishment because the defendants have shown no remorse. Remorse for WHAT??? For OPPOSING Communism? For sticking to faith - and principle?

* On the question of sentence, Mrs. Dodd speaks in behalf of one of her clients, Hugh R. Bruce. Judge Rao answers.

(17) The COURT: "Don't talk to me about Bruce, Miss Dodd. I'mmlooking, and observing him; I've observed witnesses on the stand during my time of eighteen years of practice, and also while I've been on this bench the past three years. I can tell when people are dedicated....He is. Boy! Is HE dedicated!"

"WHY ISN'T THIS CASE LIKE ANY OTHER 722-2(DISORDERLY CONDUCT)?" - Judge Rao's statement.

The COURT: "ALL RIGHT! The sentence of this court is that all three defendants are each committed to the workhouse for a period of ninety days."

* (18) NINETY DAYS for "disorderly conduct," - an offense that is less than a misdemeanor, comparable to smoking in the subway! NINETY DAYS for this offense is almost unheard of!

* You have read excerpts from this trial. Now - - ask yourself - - "Why ISN'T this like any other case 722-2(DISORDERLY CONDUCT)?"

* Following a meeting announced in "The Worker" - official Communist organ - speakers at which were CITED in a House Un-American Activities Report, - three American boys who PROTESTED AT WHAT THEY HEARD,...were accused of breaching the "peace" - by three people who were just "accidentally" at the meeting. One of the accusors claimed to be a "Rabbi" - although he could not even name his congregation - nor his Seminary(school). The three boys were not permitted to speak in their own defense at the arrignment, and were subsequently held in a total of $45,000 BAIL - an amount exceeding that placed on bank robbers, rapists, and murderers. In a trial held on January 29, 1960, a Friday, between the hours of 12 - 3 P.M. - the boys were found guilty of disorderly conduct, and sentenced to THREE MONTHS EACH IN THE WORKHOUSE.

(19) AN APPEAL IS NOW PENDING.

FEB [illegible] 1960

We are vitally concerned with the wave of reported "anti-semetic" acts and are detirmined to discover the true source of the agitation. We shall join with honest Americans in opposing any real attempt to blot out the American standard of justice and freedom for all people. But we cannot allow these incidents, no matter how abhorent, to be used as an excuse for persecuting those who have different poltitical opinions.

One of the cases in point relates to the charges of disorderly conduct against three American boys; Hugh R. Bruce (17), Seth D. Ryan (21) and Gilbert R. De Mello (20). The three boys investigated a meeting in Union Square, a public park in New York City, which was addressed by a number of well known Communist sympathisers and announced in "The Worker", official Communist organ.

After the meeting was over, a few people remained in the square, among whom were the defendents. A debated discussion followed between them and other bystanders. Several bystanders accused the boys of being German agents, Nazis and Fascists. While the three young men were leaving the park, one of the adults who had accused them, brought a policeman and insisted upon making a citizen arrest. The policeman refused to listen to the defendents' charge that they had been collared and threatened by the adults. The policeman further refused to listen to the charge that another of the adults had attempted to provoke an assault by daring the defendent to strike him.

The defendents (the three boys) were taken to the police station on East 22 St. where they were searched and locked up without being given the opportunity to telephone their families and counsel. Arrainged in Night Court before magistrate Irving Schreckinger, they were not permitted to speak to explain their side and when they requested an opportunity to explain their side Magistrate Schreckinger retorted, "No, you may not!" The boys were held in $15,000 bail each, totalling $45,000. This ammount exceeds the ammount placed on robbers, rapists and murderers.

The trial was held three days later on January 29, 1960, A Friday, between the hours 12:00 - 3:00 p.m. The youths appeared before another magistrate, sitting in the adolescent court. Two attorneys appeared; Bella Dodd appeared for Hugh Bruce, having been retained by his parents; Joseph Gil appeared for Gilbert De Mello. Seth Ryan had no attorney. When the case was first called, Mrs. Dodd asked for an adjournment for the purpose of interviewing witnesses and to have enough time elapse so that the violent propaganda which had appeared in the newspapers might have a chance to die down. The motion for adjournment which was vigorously opposed by the District Attorney Schwartz was denied.

105-477-141

When it was pointed out to the judge that Seth Ryan was without attorney, the judge, detirmined to have an immediate trial, was prepared to appoint an attorney (court appointed attorney) when Seth asked Mrs. Dodd to represent him. Mrs. Dodd renewed her request for adjournment for time to interview Mr. Ryan and prepare his case, which request was also denied. The judge granted a few minutes recess to give Mrs. Dodd a chance to talk to Mr. Ryan and the result was a four minute conference without police guard.

The assistant district attorney, Allen G. Schwartz, vehemently opposed adjournment stating that he had all of his witnesses in court that day, and refused to recognize that the defense counsel had the right to bring witnesses, too.

The three boys were found guilty of disorderly conduct under Section 722-2 and were sentenced to 90 days in the workhouse which is an extremely severe sentence rfor an offense which is not even a misdemeanor.

A transcript of the trial is available. Serious minded Americans who read the record must ask themselves:

1) Did the actions of these boys constitute disorderly conduct ?

2) Why did the police arrest the young defendents, but refuse to listen to the counter charges ?

3) Why should a total of $45,000 bail be asked for a charge which is not even a misdemeanor, and a higher rate than is generally asked for those charged with murder, rape, and bank robbery.

4) Isn't ninety days (3 months) an extraordinarily heavy sentence for a youth charged with disorderly conduct ?

An appeal is now pending and will be heard within the next thirty days. A committee has been organized to guarantee the protection of the rights of the youthful defendents. There are expenses involved in preparing the appeal.

THESE THREE BOYS NEED YOUR HELP ! The committee is working overtime. We need your contribution.

We also need your support in getting signatures on the enclosed petition and passing this appeal on to other interested Americans.

Please return at once. Time is of the essence. ADDRESS TO:

RACIAL MATTERS

On 6/17/60, captioned subject appeared at the NYO and was interviewed by SAS [redacted] and [redacted]

[redacted] advised that he had come to the NYO because he wished to advise the FBI that he was not in any way associated with any of the "race hate groups" such as the National Renaissance Party (NRP) or American Nazi Party (ANP).

[redacted] stated that he resides at [redacted]

[redacted] stated that earlier on the above date he had visited Detective [redacted] Bureau of Special Services, NYC Police Department in order to "Set the record clear with the Police" as he had been advised by Detective [redacted] to visit the NYO and tell his story to the FBI.

[redacted] stated that he is a student of political science and as a result of his interest in this matter, has read a lot of material concerning the history of this country. [redacted] stated that from all reading and studies, he has come to the conclusion that much of the trouble that is facing this country today and the rest of the world has been caused by Jews who are the chief supporters of Communism in this country and also those who would most readily sell out the US to another country.

Because of his beliefs in this regard, [redacted] stated that he became acquainted with the various writings and publications of "so-called racists" throughout the

world and in this country particularly, CONDR McGINLEY of the Christian Educational Association in Union, New Jersey, JAMES H. MADOLE of the National Renaissance Party, 10 West 90th St., NYC, and GEORGE LINCOLN ROCKWELL of the American Nazi Party in Arlington, Va.

[redacted] stated that he regularly attends meetings which are held every Sunday at McGINLEY's in Union, N.J. These meetings are called the Patriotic Forum and he first became interested in attending these meetings because, as [redacted] stated, McGINLEY possesses a great amount of information on the history of the Communist Party in the United States. [redacted] states that he feels not enough people know of the danger of Communism to the American way of life and feels that it is his duty to inform the American public of the threat of Communism to the internal security of the US.

[redacted] stated that he has met and talked to both MADOLE and ROCKWELL, mentioned above, but has disassociated himself completely from both them and their respective parties because he, [redacted] feels that both are attacking Communism in the wrong manner and their programs call for violence which [redacted] does not believe in.

[redacted] stated that he visited ROCKWELL in his, ROCKWELL's headquarters in Arlington, Va., in the latter part of 1959, merely because he, [redacted] was interested in learning ROCKWELL's ideas and plans for combatting Communism. On this occasion, ROCKWELL supplied him with literature on the ANP which [redacted] brought back to Brooklyn for his own study and perusal. [redacted] stated that he never distributed any of ROCKWELL's material either in NY or Washington, D.C. area and does nt agree with ROCKWELL's party or policies.

[redacted] further advised that he has no use for JAMES H. MADOLE stating that he actually believes MADOLE is in the employ of either the United Arab Republic or the Anti-Defamation League, although he has no substantiation for such a statement.

[redacted] stated that he still attends meetings of McGINLEY's in Union, N.J. since he feels McGINLEY is the best source of information on the CP in this country and is doing an outstanding job in combatting its rise in the US. [redacted] stated that McGINLEY is wrongfully accused of being anti-Semitic because he attacks CP members, the majority of whom are Jews.

[redacted] stated that it was because he was attempting to combat Communism. he, [redacted] along with [redacted] and [redacted] were arrested in Union Square, NYC in the latter part of 2/60.

NY 157-45

[redacted] stated that he, [redacted] all of whom are regulars attendants at McGINLEY's in Union, New Jersey, had journeyed to Union Square, NYC, in 2/60 to attend a meeting sponsored by some CP organization which they had seen advertised in ~~X~~ "The Worker".

[redacted] stated that this meeting reputedly was to protest the wave of swastika paintings and other anti-Semitic incidents which were occurring at that time, but, according to [redacted] this was in reality a meeting of the CP. While at this meeting in Union Square, [redacted] stated that he and his companions became involved in an argument with another group which included a Rabbi and disparaging remarks were passed between the two groups. [redacted] stated that the Rabbi then called upon the Police to arrest [redacted] and his two companions, [redacted] stated that they were arrested, charged with disorderly conduct and each was sentenced to 90 days in the City Jail. [redacted] stated that he, [redacted] served about nine days in jail and were released on bail pending an appeal of the sentence. [redacted] stated that currently all three are free on bail awaiting the appeal which has been scheduled to be heard on 9/19/60.

[redacted] stated he himself has never been involved in any swastika paintings, anti-Semitic incidents, or any racial hate acts. [redacted] stated that he has never associated with or had membership in any racial groups and is only interested in McGINLEY's Christian Education Association in Union, New Jersey because he, [redacted] feels that it is the only organization that is doing an effective job in combatting Communism.

[redacted] stated that he intends to enter Siena College, Loudonville, NY in the Fall of 1960 and pursue a course of studies in political science and moral theology.

[redacted] stated that his only reason in visiting the NYO was "to set the record clear" concerning himself and offer his services to the FBI in their fight against Communism.

[redacted] stated that if the FBI wished to contact him at any future date he would be available and willing to furnish any information in his possession.

[redacted] is described as [redacted]

[redacted]

It is not felt by the writer that [redacted] would be of any assistance to the FBI because of his known association with BUCKWELL and MADOLE in the past and his present association with McGINLEY of the Christian Education Association and because he is presently free on bail because of his involvement in an anti-Semitic incident in Union, NJ here in NYC in 2/60.

NY 157-45

The above information furnished by [redacted] is already known to both the FBI and the NYC Police Department and is merely being made a matter of record.

NYO does not contemplate any further action in this matter. C.

WE CHAL-LENGE THE JEWS!

Above are photographs of a meeting in Chicago on April 5, 1959, between Lincoln Rockwell, Commander of the American Party of the World Union of Free Enterprise National Socialists, and Mr. S. A. Davis, Leader of the Back-to-Africa movement in the American middle west.

The Commander of the American Nazis and the Black Leader planned a joint demonstration by both groups at the White House to dramatize for the American people that there are already over 4,000,000 Negroes who have petitioned the government to return to Africa, but are being held here by the Jewish groups who are USING the Negroes as cheap labor, and as captive voting blocs. It was felt that if the American people saw, with their own eyes, the supposedly "hate-crazed" Nazis working with dedication and mutual respect with their Negro friends to achieve a SOLUTION [illegible] problem, rather [illegible]

wealth's Attorney of Arlington County where we have our headquarters, after talking to the local Jewish press, asked the Circuit Court for a subpoena duces tecum hauling in Commander Rockwell, his political records and even his shirt, --all to be delivered at exactly 10 AM on Monday, April 20th, 1959!!

Commander Rockwell immediately filed a "non-suit" order with the court to dismiss his own suit without prejudice, a time-honored right of any Plaintiff, but the judge refused to sign it, refused to kill the subpoena while the opposing motions were heard, and insisted he stand and deliver at the exact time and date of the national demonstrations at the White House! Readers who are attorneys may judge the "unusualness" of this procedure.

But that is not the only evidence [illegible] ical oppression [illegible]

is that somebody has been censoring [illegible] news, and right here in Arlington County [illegible] body has decided for you what you may [illegible] may not know. If they can muzzle US, they [illegible] muzzle YOU, TOO!

Zander Hollander, the Jewish repo[illegible] for the Northern Virginia Sun, edited b[illegible] Jew, Phillip Stern, has been welcomed and [illegible] ed in my home and even [illegible] has received e[illegible] courtesy from us and has been permitt[illegible] sit in on a meeting with some of the Troo[illegible] He knows what is going on here and took [illegible] photographs used by Mr. Hassan, yet hi[illegible] per has not reported even the biggest [illegible] when the acting police chief, four squad[illegible] of battle-rigged police officers [illegible] juvenile off[illegible]

NOT ONE SINGLE NEWS STORY OF ANY OF THIS, even when bullets were fired at our meetings (see photo of bullet hole), has ever been reported in YOUR paper, here!

Not only is there a conspiracy of suppression against us, but the entire monstrous machinery of the Jewish engines of public information have gone into high gear to pour a rising, hysterical crescendo of violently emotional Hate-the-Nazis material into the whole Nation, lest we somehow grow in spite of their "paper-curtain" around us.

Examples are "The Insane World of Adolf Hitler" in the Jewish Cowles brothers "Look" Magazine, (followed by "At Home with Kruschev"), -and the latest Playhouse-90 show with Melvyn Douglas (Hesselberg), -written acted and produced almost entirely by Jews displaying their usual genius at emotional propaganda. Since we began to grow, the manufacturers of model airplanes have even withdrawn swastika decals from the kids, and supplied only World War I Iron Crosses!

But in spite of Jewish news censorship, filthy rumors spread about my person, legal harassment, rocks and bullets, financial pressure, and national smears, hundreds more Americans are beginning to realize we fought the wrong war and are saying, "Hitler was RIGHT!" We are staking our political futures and our very lives that millions of Americans will soon agree, and drive hooded t[illegible]tion and subversion of our beloved Nation an[illegible]e back into the ugly darkness whence it crawled.

This does NOT mean that we intend to "exterminate" Jews, as the Jews never tire of screaming to the world. We are battling for JUSTICE, not tyranny, and are prepared to protect any individual from harm, no matter what his race or religion, if he is INNOCENT. If this all sounds "crazy" to you, it is only because you do not know us, and what we stand for, but only what you have been TOLD we are. We are after TRAITORS, whatever their type, Jew or non-Jew. It is only because so many Jews are disloyal Communists or Zionists that we are forced to be "Anti-Jewish", not simply because we "don't like Jews".

There are so many of these misconceptions about us which could cause serious difficulty for ignorant persons who might attack us that we will answer here some of the most common questions which are asked.

ARE YOU COMMUNISTS?

The fact that even some University men have asked this question is evidence of the massive ignorance now taught in our schools as "progressive education". We are the most EXTREME opposite of Communism it is possible to get. We mean to eliminate Communism ENTIRELY from the world, since it is not just another political opinion, but a criminal conspiracy of hate by a gang of Jews to gain world power by lies, treachery and terror.

ARE YOU GERMANS?

Of course not. Almost all of us are veterans of one or more wars for America, and all of us are fanatically dedicated to America and the White Race. I was born in Bloomington Illinois, was a Navy pilot in two wars, and treasure the Stars and Stripes as my flag.

THEN WHY DO YOU USE THE SWASTIKA?

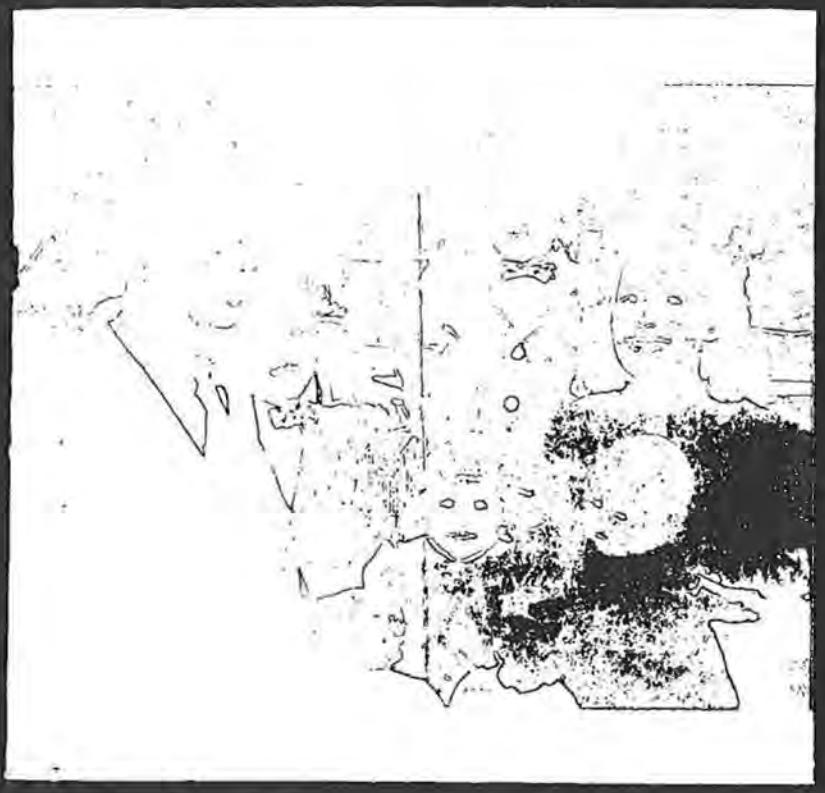

My use of the swastika and my adherance to the ideas of Adolf Hitler do not make me a German or a traitor anymore than your adherance to Jesus, a Hebrew, and the Cross, a Hebrew symbol, make you a Hebrew or a traitor. The swastika is to us what the donkey is to the Democrats.

If you had lived 2,000 years ago, you might have run across some "crazy" subversive people who insisted on following the most hated Man of his time, Jesus Christ.

These "crazy" fanatics were fed to the lions for their wickedness while the happy mobs of "normal", "decent" Romans nibbled grapes and shook their heads at the fools.

Today, the voice of Ceasar thunders over the land, on microwaves of Jewish TV, but the situation has not changed. Human beings still burn their saints and fawn before phoneys.

If the early Christians had not been absolute fanatics with the blazing courage to die singing for their faith, there would have been no Christianity. And if the White Man is today too cowardly to grasp the mighty hand reached down to him from the spirit of Adolf Hitler, and to stand manfully for his idealism and racism, with the ancient Aryan symbol of the swastika, there will soon be no White Man and no "Western" civilization which is the product of the Aryan White Man.

ARE THERE ANY GOOD JEWS?

Certainly. Benjamin Freedman of New York is a noble American who has had the astounding courage to expose and denounce the treason of so many of his fellow Jews, and to stand and fight with us. For this, he is persecuted and hated worse than we are.

We will defend with our lives honest and innocent men, no matter what their race.

AREN'T YOU FOR DICTATORSHIP?

No. That is one of the two points where we differ from Adolf Hitler. We believe in the Constitutional American REPUBLIC, as established by our Fathers, and that is why we intend to scourge treason and traitors from our land with strong measures, we shall win power only by being elected, and we shall call a Constitutional Convention to enable all of our program by amendments.

WERE YOU DISHONORABLY DISCHARGED?

This is one of the despicable rumors about my person spread by those who try to hide the wretchedness of their arguments under a cloud of nasty smoke and smell which they generate profusely when cornered.

I am still a Commander in the Naval Reserve, have commanded three Navy squadrons, and have never been involved in anything dishonorable, illegal or subversive. I did not try to drown any of my children (7), my wife has not left me, but I have sent her to Iceland, where there are only 2 Jews, to escape the "tolerance" squads of these "humanitarians". I am not crazy, or at least have never been caught. I love my Country, my Race, my wife and my children, and I heartily detest traitors and am prepared to die if necessary to protect my people from any more treason.

With thousands more people beginning to say "Hitler was right" every day as a result of our efforts, we are dangerous, if we are wrong. IF we are wrong. But we are reasonable men. If we are wrong, you have only to PROVE it, by FACTS and open argument, and we are ready to quit and join you. But the Jews never permit any discussion of our ideas. The answer to our FACTS is always silence or smear. We think Americans have had enough of this un-American method of one-sided political propaganda, and therefore make the following CHALLENGE to the Jews, -or anybody else who thinks he can discredit us fair and square, in the OPEN.

ONE HUNDRED DOLLARS CASH IS OFFERED TO ANY MAN OR WOMAN WHO WILL MEET COMMANDER ROCKWELL IN OPEN DEBATE AND PROVE TO THE SATISFACTION OF AN HONEST AUDIENCE THAT COMMUNISM IS NOT JEWISH INSPIRED AND DIRECTED!

If our ideas are just stupid, unfounded prejudice, here's your chance to win an easy hundred and put us out of business at the same time. Jews, --here is YOUR chance to make fools of us in public. Now put up, -or shut up.

Most Americans will recognize this as a square-shooting offer. You Jews cannot escape a show-down on the FACTS here by any amount of weaseling or smearing. We are not panty-waist "Conservatives", but Nazi MEN, who mean to drag you out of your holes and show you up for the liars so many of you are, no matter how you try to hide and squirm back into your cherished darkness. Now come forth into the light, you sneaking Jews, and we will strike you down manfully with the sword of truth!

Our motto is "THE JEWS ARE THRU in '72!" --and we mean to start NOW!

If any of you have the courage to meet us, let him call us at Jefferson 2-6677, or write us at Box 1381, Arlington, Virginia. We stand ready to oblige one and all!

PROGRAM

of the World Union of Free Enterprise National Socialists

In less than 100 years, Marxism has grown from a Machiavellian scheme in the twisted minds of Marx, Engles and a few other Jews, until today it is a scientific, terroristic monster astride the backs of *half the earth's population, with powerful, slimy tentacles reaching* secretly into the lives of all the rest of the people.

By the use of incredibly clever lies, diabolically calculated to appeal to the noblest emotions of humanity, and by the enshrinement of its devilish doctrines as a RELIGION which is supplanting the failing powers of the older, genuine religions, Marxism has raced to the point where only a major miracle can halt its rapid and inevitable triumph over the entire planet.

No laws, no present organization, no government in existence, and no ordinary doctrine can stay the historical march of this evil giant. It should be obvious that the "democracies", rotted to the core with corruption, weakness and Jewish manipulations, have been the very breeding ground of Marxism, and it is ridiculous to pretend that these very forces which could not prevent the growth of the red monster, which actually fostered and nurtured it, can now destroy it.

Marxism is actually a new RELIGION — the cleverly disguised, scientific worship of self— the religion of naked egotism which presumes to conquer Nature. Only an OPPOSITE doctrine, a doctrine of selflessness and idealism based on scientific TRUTH, advanced and held with the same religious fanaticism as Marxism, can inspire men with the miraculous powers to reverse the world revolution of evil, which has *almost passed into history as an accomplished FACT.*

The only doctrine capable of such a heroic task — the only doctrine with the proven power to fire the minds and hearts of millions of men to fight and CONQUER Jewish Bolshevism, is *National Socialism* — the doctrine of IDEALISM — the SACRIFICE of the selfish, ingrown EGO for the good of one's fellows — the stuff of all great religions. With such mighty inspiration, tiny Davids have ever conquered their Goliaths, as we shall ours.

Unless the White Man can throw off years of Jewish brain-washing, muster the courage to face up to the nightmarish lateness of the situation, and organize himself into an effective, unified world organization to FIGHT for his ideals and against the Jew and his horrible Marxism, the White Man will soon sink forever in a brown chaos of degradation, slavery and eventual death. For, while it is mathematically certain that, except for a miracle, the Jews will soon conquer the earth with their Marxism, subversion and Zionist imperialism, their victory will be their last act on earth. Like the eternal parasites they are, the Jews will soon perish in the eaten-out corpse of their dead host.

Therefore, we announce our purpose to be nothing less than a world-wide effort to free humanity from Jewish domination and subversion in all their forms, and the creation of the idealistic, racially realistic, socially progressive, international world ORDER which we *must* have, if we are to remain masters of our own planet.

To this world-wide goal, we solemnly pledge our lives.

National Socialist World View

I WE BELIEVE that an honest man can never be happy in a naked scramble for material gain and comfort, without any goal which he believes is greater than himself, and for which he is willing to sacrifice his own egotism. This goal was formerly provided by fundamentalist religions, but science and subversion have so weakened all traditional religions, and given man such an unwarranted, short-sighted conceit of his "power over Nature", that he has, in effect, become his own God. He is spiritually *lost even if he will not yet admit it.* We believe that the only realistic goal which can still lift man out of his present unhappy selfishness and into the radiance of self-sacrificing idealism, is the upward struggle of his race, the fight for the common good of his people.

II WE BELIEVE that society can function successfully and therefore happily, only as an ORGANISM — that all parts benefit when each part performs the function for which it is best suited to produce a unified, single-purposed WHOLE, which is then capable of out-performing any single part, the whole thus vastly increasing the powers of all cooperating parts, and the parts, therefore subordinating a part of their freedom to the whole, that the whole perishes and all parts therefore suffer whenever one part fails to perform its own function, usurps the function or interferes with the function of another part, or, like a cancer, devours all the nourishment and grows wildly and selfishly all out of proportion to its task — which latter is exactly the effect on society of the parasitic Jews and their Marxism.

III WE BELIEVE that man makes a genuine progress only when he approaches Nature humbly, and accepts and applies her eternal laws, instead of arrogantly assuming to ignore and conquer Nature, as do the Marxists, with their environmentalism, special laws of biological equality for humans only, and insane denial of the primitive and fundamental institution of private property.

IV WE BELIEVE that struggle is the vital element of all evolutionary progress and the very essence of life itself; that it is the only method whereby we have won and can maintain dominion over the other animals of the earth; that we must therefore welcome struggle as a means of testing and improving us, and that we must despise weaklings who run away from struggle. We believe that life itself is awarded by Nature only to those who fight for and win it, not to those who wish or beg for it as a "right".

V WE BELIEVE that no man is entitled to the services and products of the labor of his fellow men, unless he contributes at least an EQUAL amount of goods or services of his own production or invention. We believe that the contribution by a member of society of NOTHING ELSE but the tokens called "money" is a fraud upon his fellows, and does not excuse a man capable of honest work of his responsibility to PRODUCE his share.

VI WE BELIEVE that it is to the advantage of society to see that every honest man has freedom and opportunity to achieve his maximum potentials by preserving his health, protecting him from unforeseeable and ruinous catastrophes, educating him to capacity in the areas of his abilities, and guarding him against economic and political exploitation.

VII WE BELIEVE that Adolf Hitler was the gift of an inscrutable Providence to a world on the brink of Jewish-Bolshevik catastrophe, and that only the blazing spirit of this heroic man can give us the strength and inspiration to rise, like the early Christians, from the depths of persecution and hatred, to bring the world a new birth of radiant idealism, realistic peace, international order, and social justice for all men.

These seven principles are the rock of our faith. With them, we shall move the world.

The political "party program" we adopt, based on these principles, can and will change as events and the facts change, as we discover better methods. But these seven principles are, for us, fundamental, absolute and timeless TRUTH. THEY WILL NOT CHANGE.

We bind ourselves permanently and without reservation to these ideals, and the battle to establish them as the only scientific and realistic basis for human society.

American Program

The Jewish Problem

We shall investigate, try, and execute all Jews proved to have taken part in Marxist or Zionist plots of treason against their Nation or humanity.

We shall immediately remove all declared Jews from positions where they can control non-Jewish thoughts or actions, particularly from the press, government education, entertainment and courts.

We shall expose the criminal nature of the Jute-book of the Jews the Babylonian Talmud, by wide publication of its actual satanic words of hate and extermination of all non-Jews.

We shall cancel all debts owed to Jews by non-Jews, where there is evidence of unfair or immoral business methods in usurious.

We shall establish an International Jewish Genetic Archives project, at the same location as a worldwide basis, to extract the rare human Jews from the wretched disease pack in which they are trapped by the rest of the Jews, and to make a long term scientific study to determine if the Jewish race is worth preserving, and if so, under what method must be developed to protect Jews from others in society.

We shall establish an International Treason Tribunal to investigate, try, and publicly hang, in front of the Capitol, all non-Jews who are convicted of having acted consciously as agents for Jewish interests or subversion, or who have violated their oaths of office or participated in any form of treason against their Nation or humanity.

The Negro

We shall appropriate two billion dollars a year for five years from the money now being wasted on ethnic race integration, pointed more honestly and better, Negro crime and use. Its money to build a modern, educated nation in Africa, complete with shopping centers, airlines, superhighways, cities and load-some suburbs, and everything else we make in the finest in the world, and then give it there. Liberia is ready. Negro funds of five or more billionaires in our land to help them build a home and establish a business. We believe that if this is done with ABSOLUTELY SINCERITY, we can make up in one hour's progress all second-class citizens' sense of the unjust, and degradation we have heaped upon them, and help them recognize that it is poverty and ignorance in their class areas which will lead their own Government out of the Darkness with their American brain trust, and our sincere and generous help. It is inconceivable that any significant number of Negroes will resist such an inspiring and historical opportunity. But no Negroes will be FORCED to return to Africa.

However, Negroes remaining in America will be rigidly segregated in ghettos.

White Survival

We shall establish a National Eugenics Commission, to discourage the continued breeding of the undesirable elements of our society, to sterilize those who are hopelessly insane or otherwise lacking all dignity, to institute uniform childless and incentive awards and only maternity subsidies and bonuses for childbirth, the reproduction of our best human stock.

Citizenship

We shall make citizenship a great privilege, to be earned and regularly revoked by symbolic tests of patriotism gained place over [illegible] to be a citizen, so must first prove love of country by [illegible] minimum age of [illegible] older and ability to contribute to government by in the process of education or engaged in a productive enterprise and to prove he is willing to fight in the defense of his Country and race. The conferring of citizenship shall be a major ceremony to impress on all the greatness of the citizenship in the democracy and the great responsibility it imposes on the person.

World Order

We shall work with people's above on the other continents to organize and establish their own free National Socialist governments.

We shall withdraw from United Nations and establish in its place a world league of Free European National Socialist States with a world police force to maintain order and to bring the blessings of REAL peace, security, responsibility and political unity to the people of the earth.

Social Sanity

We shall enact laws to protect every honest, working citizen from unforeseeable and ruinous catastrophes of all kinds, to assure him of education and training to the top level of his capacity (but ONLY to that level), to assure him of vital medical and hospital facilities by providing medical coupons usable with any physician and redeemed by the Government; to protect him from easy parasitic debt by insuring that every working man can earn enough to live decently without mortgaging his future to do it, to make easily available to *all* citizens major recreational facilities such as vacation cruises, which give life zest and color, for which at present, dependent on wealth; to make *all* citizens lawyers or criminal cases paid officers of the court like the prosecutor, and not paid by the accused, to remove the weight of money from the processes of justice involving the life or liberty of a citizen, and to protect the people from political and economic exploitation by any individual or group.

Economics

We shall abolish the Federal Reserve Central Bank, set up in violation of the Constitution, cancel all illegal debt resulting from the usurious issuance of INTEREST BEARING money instead of genuine National money, and issue all currency solely by the National Government and no others.

We shall establish a National Economic Integrity Commission to eliminate speculation, the antisocial gambling by idle men on the labor of others, as a sole means of earning money. The commission will insure that no idle man is permitted to enjoy a lion's share of the luxuries, products and services created by the labor of others without contributing his own share of goods and services by his own management, invention or labor. The main defects of most of the taken-called unions with socialistic and productive effort by a man improving the goods and services of society, a criterion which downgrades the character of such an idle individual and destroys the honesty and strength of the society whose persons it.

No one man or group will be permitted to profit from ownership of any public necessity which constitutes a monopoly. A monopoly shall be considered to exist whenever it would be impossible or impractical to have competition, and shall be owned only by the whole people.

We shall abolish the Marxist progressive income tax, and establish in so far as possible direct taxes on the users of schools, roads, etc., with a small universal tax to assure the facilities needed by all the people.

Family, Home, School

We shall take vigorous measures to restore to women the dignity and status they deserve as the creators of our citizens, and to eliminate the terrible corruption, even that being the mother of a family is a job for the least intelligent females, that she is just a drudging housewife, that a woman must do something MORE worthless materially to prove she is equal.

We shall elevate Family Management to the status of a primary profession which it should be, and establish Divisions of Family Management in secondary schools and institute training courses in palatable doctrines and birth control measures for family, church, schools and the media. Graduates will be granted degrees which carry status as Doctor of Medical Science and be employed in state agencies in the community for their counseling behavior in the fields of their special training and results. We must also, a national government, drastically expand MOTHER'S DAY to equal in our concern with and will act to do that society recognizes that fact.

Of all other social institutions from our civilization the elimination of those socially — anti-social practices associated with race — which is most destructive and degrading civilization of our good women, from the ruin of our marriages and wrecking our home through lust. We shall encourage the association of the rarest of the human species, those who have ancestors to give the home and children a different quality and greatness to carry over the generations — as a home and family as the very foundation of the greatness of our people.

We shall put an end to the tendencies of progressive education and give our youth a disciplined ability to think and understand rather than as it has, which now considers it in the heart. We shall establish a physical culture program with emphasis on team sports, games and field-and-track athletics to harden and discipline youth to maximum physical fitness and establish health.

Business, Farm, Labor

We shall remove all possible controls from labor, the businessman and the farmer, and allow free enterprise and free bargaining to produce the efficiency unobtainable with any bureaucratic controls. We shall assist each group to form its own control councils, on a local basis, to maintain order and communication, and national industrial councils to establish policies of mutual benefit. The government will keep hands off all honest enterprisers, labor and farmers so long as they do not coerce one another, take unfair advantage, or threaten the whole people, when compulsory arbitration will take place.

As a temporary measure, to protect all honest producers during the necessarily chaotic conditions following removal of the present crazy patchwork of controls and subsidies, we shall guarantee all honest producers a decent level of family income until genuine free enterprise can bring genuine and natural order to the economy.

Honest Free Press

We shall make it a penitentiary offense for any medium of public information or entertainment to CONSCIOUSLY MISLEAD THE PUBLIC by any misrepresentations, omissions, deletions, or by any other method whatsoever.

To insure the real freedom of the press which at present is only a myth in view of the need for millions of dollars to reach any significant segment of the population today, we shall establish a National Free Opinion Network of Newspapers, TV, Radio, Books and Magazines. These facilities will be available, upon petition, to any group of 1,000 or more citizens, for decent presentation of their views to the nation without cost, subject, of course, to the penalties for conscious lying.

Crime, Vice

We shall deal ruthlessly and efficiently with habitual and natural criminals, and drive them permanently out of existence, instead of the present scandal dabbling with them as "lost sheep". At the same time, we recognize that millions of our best people are driven, under the impossible chaos of our times, into situations where there is almost no escape from the pressures except some illegal action. We shall remove the pressures from these oppressed people with the rest of this program, and take every measure to help these basically good people, and restore them to a productive role in the community.

We shall rescue many of the growing hordes of criminal teen-agers by dealing with their need for aggressive action, danger and excitement realistically by ending the nonsense of clubs and fraternities, and forming them into para-military, Junior Police Youth Auxiliaries, to patrol America's crime-ridden streets, and turn wholesale muggers, car thieves and rapists into policemen.

Since we recognize that it is utterly impossible to suppress entirely drinking and gambling, human vices, we shall remove these two sources of much crime from the criminals, and establish a generous national lottery, and place the sale of alcoholic beverages under a control board. At the same time, we shall ruthlessly suppress all forms of vice, such as prostitution, dope addiction, homosexuality, etc., which are NOT universal and necessary, and which cannot be tolerated in any event without breeding disintegration and disease.

Government

We shall use only legal, constitutional means to win power in the United States, because we know the people will demand our services in government when they finally come to the Jewish subversion of our people. Until then, we must train and be prepared to establish an orderly government when the present false prosperity, false peace, false welfare and false government lines of high taxes, the failure of the Jews, as every single will.

In power, we shall reestablish the equal functions of the electoral college as intended by the wise founding Fathers of our Country to prevent us from dictatorship, and we shall return the election of Senators to the State Legislatures.

We shall make the pay of all government employees directly dependent on their efficiency, apply modern business methods to government operation, and ruthlessly eliminate the hordes of bureaucratic parasites who suck out present enormous tax wealth from productive and creative.

We shall call a constitutional convention to draw up amendments and make our votes to enable all the above programs and to insure that never again can any subversive conspiracy force this great Nation to the very brink of extinction.

It was his hope that Socialists could get together on specific issues, such as Civil Rights, Negro Rights, Abolition of Nuclear Weapons and the like.

MUSTE said that opposition to the AFSE comes from two-quarters: from Senator EASTLAND and J. EDGAR HOOVER. MUSTE stated that he has refused and would

continue to refuse the information demanded by the Eastland Committee. He told the audience that the American Civil Liberties Union had informed him that they would be happy to give him any aid needed as the result of his stand taken before the Eastland Committee.

MUSTE asked any employees of the FBI present to take the message contained in his next remarks to Mr. HOOVER: He charged that Mr. HOOVER was prostituting his office when on one hand he claimed that the files of the FBI were super secret, while on the other hand on his own initiative, HOOVER made public statements smearing certain people, including MUSTE and ELEANOR ROOSEVELT, as allegedly Communists because they signed the "Amnesty Appeal." MUSTE charged again that Mr. HOOVER was prostituting his office when he alleged that MUSTE and other impartial observers at the CP National Convention of February, 1957, were Communists or Communist sympathizers.

MUSTE's comments regarding Mr. HOOVER are being furnished to the Bureau by separate communication.

[redacted] was the second speaker. MUSTE said that he would discuss "discussions." [redacted] said he was attracted to the AFSE because he was concerned about curtailment of the freedom to discuss. He charged that people were afraid to discuss issues because of possible repercussions or being labeled subversive.

[redacted] was the third speaker. She pointed out that the "Catholic Worker" was not an official publication of the Catholic Church. She said they were members of the Catholic Press Association which meant that the "Catholic Worker" had not been disapproved of by the Catholic Church. She gave a brief history of the "Catholic Worker" movement. [redacted] said that she, as a Catholic, was working for

the establishment of a society where each would contribute according to his ability and each would receive according to his needs. However, she claimed that the means she would use to establish such a society were somewhat different from the means advocated by the Communists. She described the problem as one of ends and means. She claimed that the society she envisions would rest on the teachings of the church which has had communal groupings for hundreds of years. She also discussed the hardships and opposition encountered by the inter-racial communal farm in the State of Georgia.

[redacted] the fourth speaker, concerned himself primarily with the question of Negro Rights. He felt that the AFSE could do much to further the cause of Negro Rights in particular and Civil Rights in general. [redacted] read a letter from NORMAN THOMAS who had declined membership on the National Committee of the AFSE because it included Communists. [redacted] also read a letter from the British Socialist Forum Movement. The letter expressed its good wishes to the AFSE. [redacted] pointed out that the AFSE had no connection whatever with the British Forum Movement. [redacted] stated that the AFSE needed the moral and financial support of all those present. At this point, a collection was taken up. Most of the people present contributed bills. Several $5 bills were noted in the collection. Among those aiding in the collection were the following:

[redacted]

MUSTE then introduced the people sitting on the dais as "members of the National Committee of the AFSE who were able to be here tonight." These were:

ALBERT BLUMBERG
DAVID DELLINGER
FARRELL DOBBS
[redacted]
JOHN T. MC MANUS
[redacted]

When MUSTE introduced [redacted] he stated that [redacted] did most of the "leg work" which made this meeting possible.

The "National Guardian" announcement, it should be noted, did not specifically include [redacted] among those members of the National Committee of the AFSE who were to be present to answer audience questions.

The "National Guardian" announcement stated that [redacted] would be on the panel to answer audience questions. However, he was not present. No explanation was given for this by MUSTE.

SA [redacted] on 6/13/57, telephonically contacted the offices of the "American Socialist." The man identifying himself as [redacted] stated that [redacted] was not present. SA [redacted] told [redacted] that he was a reader of the "American Socialist" and had attended the AFSE meeting of the previous evening and was disappointed as a result of [redacted] absence from the panel. SA [redacted] wondered if [redacted] was still a member of the National Committee of the AFSE, or whether his absence was due to his having withdrawn from that Committee. [redacted] answered that [redacted] was still a member of the National Committee of the AFSE and

b6

that [redacted] absence was simply due to the fact that something came up which forced [redacted] to miss the meeting.

During the question period, DELLINGER was asked how he could be an anarchist and a pacificist as well as a Socialist. DELLINGER replied that he was an anarchist because he is against power governments. He is a pacificist because he opposes force and violence. He felt that the fact that he was an anarchist was no bar to his cooperating with Socialists or vice versa. During his answer, he pointed out that he had served a jail term for his refusal to bear arms while his brother supported and participated in the war. He pointed out that this did not lessen their brotherly feeling for each other.

[redacted] was asked to comment on a set of facts related by an unknown male. This individual stated that seven friends who were very dear to him had been expelled by the Los Angeles CP because they associated with members of the Socialist Workers Party. He asked that if this was the attitude of the CP how could they be expected to cooperate in something like the AFSE. [redacted] replied that he was not familiar with the incident described. He said his presence on the platform was the best testimony as to how he, a Communist, felt about cooperating with other Socialist groups.

One questioner asked FARRELL DOBBS whether after his experiences with the CP in years past, he felt the CP would or could contribute anything to the AFSE. DOBBS replied that he had many very basic differences with the CP but he believed that the CP could and would contribute to united action on certain specific issues and programs.

When DOBBS concluded, BLUMBERG requested permission to make some comment on the same question. He agreed with DOBBS that there were many very basic differences between the CP and other Socialist groups generally and with the SWP in particular. However, BLUMBERG felt that these differences should be discussed in an effort to get together. He promised the greatest possible Communist cooperation with the AFSE.

[redacted] was asked to comment on his impressions concerning the role of youth in the AFSE, particularly in view of the fact that he had just completed a tour of the US during which he conferred with various youth groups. [redacted] stated that the youth throughout the nation is being attracted to the radical movement and he feels that the AFSE will aid considerably in the eventual unification of the youth in the radical movement.

[redacted] was asked to comment on a question concerning civil rights in the Soviet Union. [redacted] stated that no one on the platform was an apologist for the dictatorship in the Soviet Union. He said there was much to be done in the field of civil rights both in the US and in Russia. According to him, one of the purposes of the AFSE was to discuss these questions.

MUSTE, throughout the program, while introducing the speakers, made several comments of his own. He stated that the AFSE was operating on the principal of "non exclusion." That is, any Socialist tendency was welcome to cooperate with and join with the National Committee of the AFSE. There was one exception, however. In order to avoid the charge of Communist domination and to encourage the die-hard foes of Communism to participate in the AFSE, it was decided to limit the number of Communist members of the National Committee of the AFSE to two.

During the course of the meeting, SA [redacted] observed the following individuals in the audience:

[redacted]

During the course of the AFSE meeting of 6/12/57, SA [redacted] obtained from unidentified individuals the following three items:

1. Flyer advertising that the Militant Labor Forum would present three showings (6/21 and 22/57 at 9:00 p.m. and at 5:00 p.m. Sunday, 6/23/57) of the movie "Salt of the Earth", at 116 University Place, NYC.

Location Attachment to NY 100-97078-1519

2. Booklet "Underdogs vs. Upperdogs", by [redacted] illustrated by MAT KAUTEN. It is self-described on the front cover as "a picture story of the struggle against Social . injustice".

Location NY 105-5771-1A1

3. Brochure published by the AFSE including a statement of purpose and a list of the officers and members of the National Committee of the AFSE.

Location NY 100-131940-1B1(1)

Item one, described above, needs no further comment.

Item two on page 13 states that the underdogs should strive to maintain complete civil rights and avoid all thought control. On page 15 the booklet declares that under all social systems, the most important underdog struggle of the future is to win the right to strike against the government.

Item three states that the AFSE was organized to "stimulate study and serious untrammelled discussion of the problems of socialism in the United States." The AFSE will attempt to organize regional and national conferences and by these and other means to contribute not only to the intellectual clarification but to the building of a new morale and ethic, a spirit of fair play, labor militancy, determination and hope among the progressive and radical forces in the US. This brochure also sets out the officers and the National Committee of the AFSE which are as follows:

NORMAN THOMAS COMMENTS ON KHRUSHCHEV PREDICTION

WASHINGTON, July 2—Norman Thomas thinks President Eisenhower's grandchildren may live under some form of socialism in the U. S., but he said it won't be the kind of socialism that Soviet Communist Party secretary Nikita Khrushchev predicted when he appeared recently over a U.S. television network. Thomas said he "doubts Khrushchev knows what socialism really is."

The 72-year-old Thomas was asked about the Khrushchev prediction at a press conference he called here yesterday.

"When the Eisenhower grandchildren are old enough to run for President there may be a modern socialistic society," Thomas said.

But he added such a society "won't necessarily be Utopia . . . there'll be no millenium."

Thomas said "everything is socialism, including the public schools." But he said he is not looking for "galloping socialism."

"I'd be content if it could stand up and walk right now," he commented.

Norman Thomas will join one of the nation's top nuclear scientists to speak against the testing of nuclear weapons, at a public meeting in Town Hall, Aug. 6 on the 12th anniversary of the atomic bombing of Hiroshima.

Among Thomas' fellow speakers will be Dr. Walter Selove, a University of Pennsylvania phyicist who recently met with scientists from all over the world at the conference at Pugwash, Nova Scotia.
